Mission and Vision

"It's not about you"

In 2015, we embarked on a transformative journey at the chamber, driven by a powerful belief: when you uplift others, your own path to success becomes clearer. This guiding principle, "It's not about you," has become the heartbeat of our chamber, steering us towards our collective achievements.

Our roots trace back to the inaugural chamber in 1599, where traders united to safeguard their interests. That spirit of unity and protection still drives us. Today, we stand firm in our commitment to **ADVOCATE** for policies that nurture a pro-business environment, to **CONNECT** you with a thriving community network, and to **EDUCATE** on the best business practices.

ADVOCATE

Throughout 2023, the Chamber steadfastly championed pro-business policies and legislation, fueling growth and success for local businesses. Here's a snapshot of our pivotal moments:

- The State of the City Address, delivered by our Mayor, drew an impressive crowd of 215 community members.
- We organized 2 dynamic Legislative Committee Meetings.
- Held 8 enlightening Current Events meetings.
- Our commitment to informed voting led us to host 2 Candidate Forums.
- We produced and shared 6 insightful Candidate Interview Videos and 2 engaging Candidate Forum Videos.
- The Chamber Business Luncheon, themed "Meet the Candidate," was a hit with over 110 attendees.
- "Coffee with our Congressman" at the Chamber offered a unique opportunity for personal engagement.
- The State of Commerce Luncheon was another highlight, with 180 attendees.
- Participating in Tarrant County Day in Austin alongside our North Eastern Chamber Coalition was a testament to our collaborative spirit and commitment to regional prosperity
